Snapshot report

Under the agreement for 2014
Walkervale State School received $458 000

Our full 2014 agreement can be found here: https://walkervaless.eq.edu.au

Our school strategies are on track to meet or exceed our targets

During 2014, we have focused on maximising the benefits of this funding for our students. After reviewing our Great Results Guarantee agreement, it is clear that we are on track to meet or exceed our targeted student outcomes. We continue to implement our strategies to ensure that every student succeeds.

Strategies implemented include:

- Employing additional speech language pathologist (1 day per week) to complete early assessment and then focus upon language development programs for Prep - Yr 3 students to ensure students have the opportunity and support to develop age appropriate language skills (pre-reading) to perform at their best and achieve their potential.

- Deploy additional teacher aide support to deliver speech language programs to students in Prep - Yr 3 to enable them to achieve to their potential, working under the supervision of Support Teacher- Literacy and Numeracy and Speech Language Pathologist.

- Employ a School Community Liaison Officer (Attendance) to focus on improving attendance rates with a focus on students in Prep - Yr 3 as well as other students.

- Employ additional teacher aides to provide support targeted learning to students in Prep - Yr 3.

- Employ a Head of Learning (0.8FTE) to support the teaching of numeracy across all grades.

- Employ additional teacher time to focus on stretching performance of students in U2Bs in literacy and numeracy.
